## What?

An annual 8-month personal development programme for 90 international young professionals about leadership, sustainability and impact, including a four-day life-changing learning experience in The Netherlands on 19, 20, 21, 22 October 2020.

## Why?

To solve our global sustainability challenges, we need to equip our future leaders with the necessary skills and knowledge to bring about true, sustainable change.

## Who?

Young professionals aged between 23-33 who have at least a bachelor's degree or equivalent, a clear affinity for sustainability, are fluent in English (verbal and written), and eager to make impact.

## Company participants vs. Wild Card candidates

**Company participants** are working for an organisation that allows them to take part in the Challenge and agrees to pay for their participation. The participation fee for one company participant is EUR 4.500,- (excl. VAT). If a company joins with 2 to 5 participants, the fee is EUR 4.250,- per participant. Joining with 6 or more participants? The fee then reduces to EUR 4.000,- per participant.

The accommodation cost (EUR 600,- incl. VAT for two hotel nights, food and drinks during the four-day learning experience / invoiced separately by the venue) and travel expenses are covered by the company.

**Wild Card candidates** enter a selection process and if you win a wild card, your participation fee (EUR 4.500,-, excl. VAT) is sponsored by one of our partners. The accommodation costs (EUR 600,- for three hotel nights, food and drinks during the four-day learning experience) and travel expenses need to be covered by the Wild Card candidate.

**Theme:** Prosperity for all. Young leaders building a better world for people and our planet.
